Request Pursuant To Freedom of
Information Act, 5 U.S.C. § 552

Dear FOIA Officer:

This is a request for information via the Freedom of Information Act, 5 U.S.C. § 552, as amended.

I hereby request visitor logs for the main EPA headquarters building in Washington from Jan. 1 2009 to Dec. 31, 2012 to the present. I am seeking a list of names of people who have visited the EPA and, if possible, the names of officials or offices at EPA that those people were visiting.

If you determine that any of the documents sought by this request are exempt from disclosure, and you decide to apply an exemption, please state the legal and factual basis for that decision. If you determine that only portions of either document must be withheld under an exemption, I request that the documents be produced with redactions.

I intend to use these records with a story to be published in *The Wall Street Journal* that will provide a benefit to a large segment of the public.

Very truly yours,

Rebecca Ballhaus
